Winter 2004

We are *delighted to send you this seasonal issue of Cubex News. Wishing you and your family good health and happiness in the year to come*

## Natural Wisdom

PHONAK

We are really excited about the launch next year of a revolutionary hearing system from Phonak in the spring. A venue is yet to be confirmed, but this promises to be a wonderfully unique event. **Watch this space!**

## Starkey Open Day

In February we will be presenting Starkey's brand new OTE (on the ear) aid, Aspect, which promises to be highly popular with those demanding the ultimate in discretion, comfort and superior sound quality.

Their long anticipated power digital BTE (behind the ear) aid, Davinci, will also feature at this event which will be welcome news for profoundly deaf people. **Further details will follow in the New Year.**

## Celebrating Hearing Dogs for Deaf People

Please join us between **11.00am and 4.00pm on Wednesday 15th December 2004**, when we will be celebrating with Hearing Dogs for Deaf People. Why not come along for some Christmas cheer, meet our special guest, and enjoy a glass of mulled wine and a mince pie.
